Fecha de caducidad del certificado: (Certificate valid until): 08.04.2017

Decisive for the eligibility of delivery for approved locations is exclusively the information given in the QS database. This is because deviations due to the contract date, blocking of companies or something similar could appear. This certificate is property of the certification body and must be returned on request. The audit is based on the valid version of the scheme manual by the time of the audit.
